SHRINIVAS

Smart Lecture Theatre

Four gallery-style Lecture Theatre seat up to 200 each, equipped with laser projectors, lecture-capture cameras and wireless casting. Motion-sensor lighting and acoustic paneling provide an engaging yet energy-efficient learning ambience.

Central Library

Spread over two floors, the digital library offers 200+ quiet study carrels, e-journal kiosks, discussion pods and round-the-clock access to PubMed, Scopus and BMJ resources. RFID self-checkout, plagiarism-check kiosks and remote-access VPN keep research seamless on and off campus. Books: The Library has a good collection of 5825 Books on medical and allied sciences. Journals: We subscribe 71 National and 44 International Journals Back volumes: We have 302 national and 210 international bound volumes of Journals.

Transport

The Institution provides transport facility from almost all parts of the city. One need not worry about commuting to the varsity.

Advanced Laboratories

SERIMS hosts discipline-specific labs Anatomy, Physiology, Biochemistry, Pharmacology, Pathology, Microbiology, FMT, Central Laboratory and Community Medicine designed to National Medical Commission specifications. Each spacious lab features ergonomic workstations, calibrated instruments and digital data-logging systems that transform foundational science into hands-on skill. Dedicated prep rooms and cold-storage units ensure safety and sample integrity during every practical session.

Blood Bank

The 24x7 Blood Bank delivers safe, quality blood and blood components using advanced technology. Collecting over 1,000 units annually, it ensures timely transfusion support through voluntary blood donation drives, walk-in donors, and expert transfusion services.

Smart Theatre

Five spacious, fully air-conditioned lecture theatre with gallery-style seating and advanced audio-visual facilities provide an ideal environment for interactive learning, ensuring the effective delivery of the Competency-Based Medical Education (CBME) curriculum.

Canteen

A spacious and hygienic canteen serves a variety of nutritious meals, snacks, and beverages for students and staff. The canteen operates daily from 7:30 AM to 10:00 PM.

Separate Hostel for Boys and Girls

Separate Wi-Fi-enabled hostels for boys and girls offer twin-sharing AC rooms, hygienic dining, 24x7 security and resident wardens. Faculty apartments and a guest house foster a close-knit academic community.

Sports, Fitness & Recreation

World-class sports and recreational facilities, including a cricket ground, indoor badminton courts, gymnasium, yoga hall, jogging track and open-air amphitheatre, promote physical fitness, mental well-being and holistic personality development.

Message from the Chairman

Mr. Shrinivas Prasad

Chairman-cum-Founder Trustee, SERIMS

It gives me immense pleasure to welcome students and parents to M/s Shrinivas (G) Educational & Research Institute of Medical Sciences, Chapra, Saran, Bihar.

My journey in the pharmaceutical and healthcare sector, including the establishment of pharmaceutical manufacturing units at Baddi (H.P), Ahmedabad and Dibrugarh(Assam), and my association with a Dental College & Hospital at Hazaribagh, has strengthened my commitment to quality healthcare and medical education.

Being a native of Saran District, it has been my long-standing vision to contribute to the development of my home district by establishing a modern Hospital and Medical College at Chapra. Our objective is to provide students with quality medical education, modern facilities, experienced faculty, clinical exposure and personalised academic mentoring.

We believe that every student deserves individual attention and appropriate academic support. Through continuous assessment, mentoring and remedial teaching, we aim to develop not only academically successful students but also skilled, confident, ethical and compassionate medical professionals.

We also value the role of parents in the educational journey of every student. Parent-faculty interaction meetings will provide an opportunity to share academic progress, professional development and areas requiring improvement, thereby strengthening the partnership between the institution and parents.

Our commitment extends beyond education. We aspire to provide quality and accessible healthcare to the people of Saran and neighbouring districts and contribute meaningfully to the development of the region.

I sincerely seek the trust, cooperation, encouragement and blessings of our students, parents, faculty members and well-wishers in fulfilling this vision.

Our Commitment

- **Quality Education • Modern Facilities • Personalised Mentoring • Clinical Excellence**
- **Skill Development • Ethical Medical Education • Quality Healthcare**

With your blessings, we shall strive to build a brighter future for our students and a healthier society.

Mr. Shrinivas Prasad

Chairman-cum-Founder Trustee

Message from the Principal

Dr. (Prof) Sude Kumar Singh

MBBS, MD

Principal, SERIMS

Dear Students, Parents and Esteemed Visitors,

It gives me immense pleasure to welcome you to Shrinivas (G) Educational & Research Institute of Medical Sciences (SERIMS) an institution committed to excellence in medical education, clinical training, research, and compassionate healthcare.

At SERIMS, we believe that medical Science is far more than a profession; it is a noble calling that demands knowledge, integrity, empathy, and an unwavering commitment to serving humanity. Our objective is to nurture future healthcare professionals who combine clinical competence with ethical values and a deep sense of social responsibility.

As a part of the Shrinivas Group, which has been contributing to professional education for over two decades, SERIMS carries forward a legacy of academic excellence and quality healthcare education. With modern infrastructure, well-equipped laboratories, advanced simulation facilities, a comprehensive teaching hospital, and an experienced team of dedicated faculty, we provide an environment where students can learn, innovate, and excel.

Our competency-based curriculum, integrated teaching methodology, early clinical exposure, and emphasis on research ensure that our graduates are well prepared to meet the evolving challenges of modern medicine. Beyond academic excellence, we strive to instill compassion, professionalism, leadership, and a lifelong passion for learning.

As you embark on your medical journey with us, I encourage you to embrace every opportunity to grow intellectually, professionally, and personally. Let curiosity guide your learning, compassion define your practice, and excellence become your lifelong pursuit.

I warmly welcome you to the SERIMS family and wish you a fulfilling journey toward becoming competent, ethical, and compassionate medical professionals who will make a meaningful difference in the lives of countless individuals.

Best Wishes,

Dr. (Prof) Sude Kumar Singh

Principal, SERIMS

Message from the Vice President

Mrs. Nandani Devi
Vice President, SERIMS

It is my privilege to welcome aspiring medical professionals, parents, faculty members and all stakeholders to M/s Shrinivas (G) Educational & Research Institute of Medical Sciences.

Medicine is one of the noblest professions, carrying a profound responsibility towards human life and society. Our vision is to provide an environment where students develop strong medical knowledge, clinical skills, compassion, discipline, integrity and professional ethics.

Our Medical College & Hospital is committed to excellence in medical education, advanced healthcare and research. Through quality teaching, clinical exposure, practical training and community-oriented activities, we aim to nurture confident, competent and patient-centred healthcare professionals.

We believe that a great doctor must go beyond academic excellence by demonstrating empathy, responsibility, teamwork and dedication to service. With dedicated faculty, modern infrastructure and a culture of continuous learning, we strive to provide every student with the opportunities to realise their full potential.

We also aspire to contribute to improving healthcare in Saran and the surrounding regions of Bihar by promoting accessible quality healthcare, prevention and community health.

I warmly invite young aspirants to join us on this journey of knowledge, service and excellence. I wish all our students a successful, enriching and fulfilling academic journey.

Best Wishes

Mrs. Nandani Devi
Vice President, SERIMS

Admin Head

Mr. Raaman Kummar
Head – Administration, SERIMS

Welcome to SERIMS.

Our aim is to provide students with a well-organised, safe and supportive environment that enables them to focus on learning, growth and professional excellence.

We are committed to ensuring that every student's journey at SERIMS is comfortable, enriching and memorable.

Best Wishes

Mr. Raaman Kummar
Administration Head, SERIMS

Finance Head

Mr. Mukesh Chaudhary
Finance Head, SERIMS

Welcome to SERIMS.

At SERIMS, we are committed to ensuring financial transparency, responsible management and efficient support for the institution, enabling our students and faculty to focus on excellence in education and healthcare.

We wish every student a successful and fulfilling journey at SERIMS.

Best Wishes

Mr. Mukesh Chaudhary
Finance Head, SERIMS

About SERIMS

Excellence in
Medical Education

Shrinivas (G) Educational & Research Institute of Medical Sciences (SERIMS) is the latest milestone in the illustrious journey of the Shrinivas Group, an educational organization that has been dedicated to shaping future professionals for over two decades. Guided by a steadfast commitment to academic excellence, ethical values, and nation-building, the Group has established itself as a trusted name in professional education.

The Group's legacy in healthcare education began with the establishment of Hazaribag College of Dental Sciences & Hospital (HCDSH), Jharkhand in 2007. Recognized as one of the leading dental institutions in Eastern India, the college offers 100 BDS seats and 20 MDS seats across multiple specialties, and has earned recognition for its academic excellence, advanced infrastructure, experienced faculty, and comprehensive clinical training. Operated under the Shrinivas Group, HCDSH has successfully nurtured generations of skilled dental professionals who serve society with competence and compassion.

Building upon this rich legacy, Shrinivas (G) Educational & Research Institute of Medical Sciences (SERIMS) has been established with the vision of creating a centre of excellence in medical education, research and patient care. Strategically located on the Chapra–Garkha Highway, Saran, Bihar, the institute combines state-of-the-art academic infrastructure with a modern multi-speciality teaching hospital, providing students with an ideal environment where classroom learning seamlessly integrates with hands-on clinical experience.

At SERIMS, education extends beyond the curriculum. Through competency-based medical education, advanced simulation laboratories, digital learning resources, distinguished faculty, and a patient-centric approach to healthcare, students are empowered to develop the knowledge, clinical skills, professional ethics, and leadership qualities essential for modern medical practice.

Driven by the Shrinivas Group's enduring philosophy of "Excellence in Education, Compassion in Healthcare, and Service to Society," SERIMS is committed to nurturing future physicians who are not only clinically proficient but also socially responsible, research-oriented, and prepared to lead the healthcare systems of tomorrow.

Our Vision

To become one of India's most respected Institutions in medical education, research, and healthcare by nurturing competent, compassionate and globally competitive medical professionals.

Our Mission

- Deliver world-class medical education
- Promote ethical medical practice
- Foster innovative research
- Advance community healthcare
- Encourage lifelong learning
- Serve society with compassion and integrity

Why Choose SERIMS?

Duration of Course:

The Course of studies leading to the award of degree of Bachelor of Medicine and Bachelor of Surgery (M.B.B.S.) of the Shrinivas (G) Educational & Research Institute of Medical Sciences shall last for a minimum of 5½ academic years including one year's compulsory rotatory internship.

Number of Seats:

The Institute is recognized by the National Medical Commission (NMC), New Delhi, for the award of the Bachelor of Medicine and Bachelor of Surgery (M.B.B.S.) degree for the academic session _____.

Hostel Accommodation:

1. Separate hostel accommodation is available for Boys and girls students.
2. Application for accommodation in the hostels should be submitted in the prescribed form along with the assurance by the parents or guardian for the good conduct and behavior of the candidate during his/her stay in the hostel. Admission to hostel will be made by the warden on approval by the Managing Director/Principal.
3. When the conduct and character of a student is not satisfactory or is of suspicious nature, the director/principal reserves the right, without assigning any reason either to make him/her vacate the hostel or to expel him/her from the institute & retain the entire fee submitted.
4. Hostel rules are notified. The inmates of hostel have to abide all the hostel rules as per college code of conduct & Hostel Manual.

Criteria For Benchmark Disabilities (OH/PH):

The candidate must possess a valid document certifying his/her physical disability. The disability certificate should be produced by a duly constituted and authorized Medical Board of the State or Central Govt. Hospitals/Institutions. 5% seats of the annual sanctioned intake capacity shall be filled up by candidates with benchmark disabilities in accordance with the provisions of the Rights of Persons with Disabilities Act, 2016, based on the merit list of 'National Eligibility-Cum-Entrance Test' in terms of notification published on 23.01.2018 in Gazette of India.

Eligibility:

No candidate shall be allowed to be admitted to the Medical Curriculum proper of first Bachelor of Medicine and Bachelor of Surgery course until he/she has qualified the National Eligibility Entrance Test, and he/she shall not be allowed to appear for the National Eligibility-Cum- Entrance Test until:

1. He/she shall complete the age of 17 years on or before 31st December of the year of admission to the MBBS.
 - a. He/She has obtained a minimum of marks in National Eligibility Cum- Entrance Test as prescribed in Clause 5 of Chapter II.

Procedure to Apply:

All qualified candidates of NEET must register himself/herself in BCECE Board and undergo counseling. College will be allotted as per their merit cum choice basis. They have to report to the allotted college as per time schedule. Delay in reporting will forfeit their claim for admission.

Medical Fitness Certificate:

The selected candidates shall be required to undergo a medical examination conducted by a Medical Board constituted by the Institute. If a candidate is found to be medically unfit by the Medical Board, in accordance with the applicable regulations, his/her candidature for admission shall be rejected. The decision of the Medical Board in this regard shall be final and binding.

Important Points To Note:

1. Admission of candidates is strictly provisional.
2. If ineligibility of a candidate is detected at any stage, his/her admission will be cancelled without any notice.
3. In case any candidate is found to have furnished false information or certificate etc. or is found to have withheld or concealed any material information his/her admission will be cancelled even during MBBS Course.
4. If any candidate is found to be indulged in unlawful activity or breaks the rules and regulation of institution/hostel, strict action will be taken against him/her including rustication/dismissal from the college and hostel.

Attendance:

75% attendance in each subject in lecture and 80% in seminars, group discussions, tutorials, demonstrations, practical, Hospital postings and bed side clinics, etc (separately) compulsory for sent-up for the University Examination, No leave will be granted except list of Holiday issued by GNSU.

Compulsory Rotatory Internship Training:

After passing the Final M.B.B.S. examination, all the candidates will be required to undergo compulsory rotatory internship for a period of one calendar year (12 months) in the hospital and rural health centers recognized by the institute. During the internship period, the interns are allowed a total of 15 days leave in full term of one year. The degree of M.B.B.S. shall be awarded to them only after satisfactory completion of one year compulsory rotatory internship.

Court Jurisdiction:

Any legal dispute arising out of admission procedure shall be subject to the jurisdiction of the Courts of Sasaram

Disclaimer:

Shrinivas (G) Educational & Research Institute of Medical Sciences has not authorized any individual agent or agency to deal with the admissions in the college. The Institute will not be responsible for any activities of such individual agents/agencies.

While every effort has been made to ensure accuracy of contents of Prospectus, the college reserves the right to amend or alter information without notice. No liability can be accepted by the college/institute in connection with such alterations or amendments. All differences and disputes arising in the interpretation and implementation of the sections of the prospectus will be referred to the Principal and his decision shall be final and binding.

Supreme Court Rules Regarding Anti Ragging:

As per direction of the Hon'ble Supreme Court of India, the Government has banned ragging completely in any form inside and outside the campus and the College authorities are determined not to allow any form of ragging. Whosoever directly or

indirectly commits, participates in, abets or instigates ragging within or outside college shall have an FIR lodged against him/her and he/she will be suspended or rusticated from the institution and shall also be liable to be fined which may extend to Rs. 1,00,000/-. In case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he/she has indulged in ragging, admission can be refused or he/she shall be expelled from the institution. The punishment may also include suspension from attending the classes, withholding/ withdrawing fellowship/scholarship and other financial benefits or withholding the result.

The candidates as well as their parents, at the time of admission to this Institute, will be required to furnish an undertaking in the form of an affidavit that the candidates will not be indulged in any form of ragging. No incidence of ragging was reported in last many years in this institute.

“Ragging” Includes The Following:

Any conduct whether by words spoken or written or by an act which has the effect of harassing, teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student. The conduct includes but is not restricted to any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher; exploiting the services of a fresher, or any other students for completing the academic tasks assigned to an individual or a group of students; any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students; any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person; any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, "vicarious or sadistic thrill from activity or passively participating in the discomfiture to fresher or any other students; any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

“Any act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background.”
